Non-Refundable Purchase Agreement

Before signing this form, please understand the following:

There are many variables that impact the availability of puppies; therefore, we cannot guarantee the conception and timing of a litter nor the sex and color of the puppies in a litter. That being said, please understand that **this deposit is non-refundable**. Your deposit will be credited to a future dog or to future training.

NON-REFUNDABLE DEPOSIT toward the purchase of a puppy from Kirby Mountain Kennels.

When the deposit is received, your name is put on the list for a puppy (breed, color, sex). Due to nature, the particular color or sex of the puppy you intend to purchase may not be available from that litter. If this is the case, we will offer you other available puppies (different color and/or sex) at this time, or we will move your name to an available puppy in a later breeding. **You, the purchaser, understand, acknowledge, and agree that the deposit will not be refunded due to the aforesaid circumstances.**

In addition, if you choose to purchase a dog from another facility or decide not to purchase a dog from us once the deposit has been received, your deposit is forfeited or may be applied for future purchases from our facility (training service or dog purchase).
